WENTWORTH VILLAGE
March 21, 2016

WENTWORTH LOCAL BOARD OF EQUALIZATION

The Wentworth Town Council met at the Finance Office on Monday, March 21, 2016 at 6:00 p.m., as the local Board of Equalization. President Roger Vogt called the meeting to order. Forming a quorum were Council members Roger Vogt, Kory Reck and Jim Spielmann. Also in attendance was Clare Steven Johnson and Trish Natwick, Clerk.

Clare Steven Johnson presented his appeal to the Board, based on his most recent assessment for Buildings on Parcel #19300-00100-180-10. Mr. Johnson feels the valuation should be changed because the building is uninhabitable, the sewer has been capped and the building is currently being used for storage. Mr. Johnson requested the assessment for his building be lowered to \$1,000.00.

Reck motioned and Spielmann seconded to make the following recommendation to the Lake County Equalization Office:

The Board's recommendation is:

Other Non-Ag Buildings – Change from \$5,400.00 to \$2,700.00

With no further business, the Board of Equalization meeting adjourned.

TRISH NATWICK
Town Clerk

I hereby certify the Board of Review reviewed and approved the Assessment Roll for the Village of Wentworth.

TRISH NATWICK, Clerk
